Intro : Am Am

```
Am        Em      Dm          G        Em      Dm          G
You and me  We used to be together Every day together always
I really feel  I'm loosing my best friend  I can't believe  This could be the end

    Am       Em      Dm              G        C          G                A
It look as though you're letting go  And if it's real,  Well I don't want to know

Dm          Gm                    C
Don't speak   I know just what you're saying
A                Gm                    A                Dm       Gm / A
So please stop explaining  Don't tell me cause it hurts
Dm              Gm                    C
Don't speak  I know that you're thinking
A                  Gm                  A              Dm         Gm / A
I don't need you're reasons   Don't tell me cause it hurts

    Am           Em             Dm              G          Em            Dm   G
Our memories   They can be inviting  But some are altogether   Mighty brightening
Am      Em         Dm       G        C         G              A
As we die, both you and I  With my head in my hands  I sit and cry
```

refrain

```
Bb         F   G#      Eb     Bb5  C5   F5   F(sus4)  > F
It's all ending  You gotta stop pretending  Who we are...
```
