```
          Em          Am          Em              Bm                C
I wanna take you somewhere -so you know I care -But it's so cold -and I don't know where
I brought you daffodils -in a pretty string -they won't flower -like they did last spring  C
And I wanna kiss you, -make you feel alright -I'm just so tired -to share my nights
          Em      Am      Em            Bm              C
I wanna cry and -I wanna love -But all my tears -have been used up

            G           Em          Bm              C
On another love, another love All my tears have been used up
On another love, another love All my tears have been used up
            G           Em          Bm              C     G     Em     Bm

          Em          Am          Em              Bm                C
And if somebody hurts you, -I wanna fight -But my hand's been broken -one too many times
So I'll use my voice, -I'll be so fucking rude -Words, they always win, -but I know I'll lose
And I'd sing a song -that'd be just ours -But I sang 'em all -to another heart
And I wanna cry, -I wanna learn to love -But all my tears -have been used up
```
